DECISION AND ORDER

The National Labor Relations Board has considered objections and determinative challenged ballots in an election held March 13, 2015, and the Regional Director's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 55 ballots cast for and 38 ballots cast against the Petitioner, 17 challenged ballots, a sufficient number to affect the results.¹

No exceptions have been filed to the Regional Director's report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations.

ORDER

IT IS ORDERED that this proceeding is remanded to the Regional Director for Region 32 for further appropriate action consistent with his report.

¹ The Regional Director recommended that the late-raised objections regarding the type of voting booth used in the election and regarding the room that was used as the polling place be overruled in their entirety.

Dated, Washington, D.C., May 22, 2015.
